Hello Jorge,

Yes, I can confirm that we'll need additional funds for this mod. However, program is still drafting the budget for that estimate -- expected this week.

Hi Russ,

Just wanted to reach out to you to see if there was an update on the pending action for F0314. Will you need additional funds?

Take care,

Hello Andie,

My folks anticipate that we will need additional funds with the addition of this task. The tricky part is estimating how much of a balance will be available at the conclusion of the original PWS; offsetting the amount of new funds needed. They are working that issue currently; will respond when they submit to me.

Morning,

Quick follow-up on this one and FYI I will be out of the office all next week, returning 6/13. We are working on the PWS revision to 68HERC19D0011 TO 68HERC21F0115 P00002 and should have that one back over to you later today, early tomorrow.

Thank you,

Andie
